

# *ATLAS COPCO ANGLE GINDERS: POWER, PERFORMANCE AND ERGONOMICS IN A CLASS OF OUR OWN*

Working in a tough environment places high demands on the tools used and on the operator.

The high power to weight ratios of our tools make them comfortable to work with and give a superior material removal rate with minimum effort. They are powerful and built to last.

For a limited time we have some exciting specials on some of our class leading angle grinders.

To take advantage of this offer please contact your local Atlas Copco distributor or call us on 1800 801 489.
